

## SOUTH AFRICAN RADIO LEAGUE

SARL NEWS SUNDAY 21 MARCH 2004

You are listening to Amateur Radio Station ZS6SRL of the South African Radio League, the National society for Amateur Radio in South Africa, with a news bulletin that is broadcast every Sunday at 08:15 Central Africa Time (CAT) in Afrikaans and at 08:30 CAT in English.

Reception reports on the 10,130 MHz experimental relay will be appreciated.

This bulletin is also available on the website of the SARL at [www.sarl.org.za](http://www.sarl.org.za) and on packet bulletin boards.

SILENT KEY.

It is with deep regret that we announce the untimely death of Kevin Geustyn, ZR1KDG. He was found murdered in his flat last Monday. It is thought that he died on Sunday.

He was brutally tied, beaten and stabbed many times. Kevin was 48 years old.

The memorial service will be held at the Maitland Crematorium on Tuesday morning at 10:00.

Kevin was a committee member of the Oakdale ARC and was very popular, being one of the few who was always ready to jump in and help with any project. He will be sadly missed especially at the monthly meetings where he helped with the catering and setting up the hall, then the cleanup afterwards.

Our sympathies go to his family and friends.
